MAHATMA GANDHI INSTITUTE

COMMUNIQUE

Reopening of the Library, the Indian Immigration Archives and the Folk Museum of Indian Immigration

Members of the public and students are hereby being informed that

The MGI Library,

The Indian Immigration Archives; and

The Folk Museum of Indian Immigration

will resume normal services as from Tuesday 16 June 2020. Strict sanitary precautions would have to be observed. Members of the public and students are requested to adhere to the following good hygiene practices:

- Temperature control will be applicable at the entrance of the building. Those whose temperature reading is 37.6\(^0\) C and above will not be allowed inside the MGI premises;
- Hand sanitiser will be provided at the entrance. All visitors will have to sanitise their hands before going inside the building;
- It is mandatory to wear a mask on the premises; and
- Social distancing of at least one metre will have to be maintained at all times.

For Members of the public who wish to obtain information on their ancestry, they are encouraged to submit their applications and requests relating to Indian Immigration information/certificate by email at archives@mgi.ac.mu. The application should be accompanied with scanned copies of the birth certificates of the applicant and applicant’s forebears. Upon receipt of the applications, the applicants will be communicated on the date and time to collect the requested information at the MGI Indian Immigration Archives. For any further information, members of the public can contact the MGI Indian Immigration Archives by phone on 403 2037.

Students are advised that they can read and download many online resources through EBSCOhost http://search.ebscohost.com and JSTOR http://www.jstor.org/ databases. Kindly contact the MGI Library, by email at jramsamy@mgi.ac.mu or by phone on 403 2016, for User ID and Password.
